HONOR JAMES FRANCIS.

Tech Show Men Present Testimonials of Regard for Coach.

Tech Show dinners have gained the reputation of being the dinners at which, of all others at the Institute, good comradeship is best shown and the dinner held last Friday evening at the Union was, without doubt, the most successful that the Show has ever had. An additional item of the evening was appropriately increased when Alexander Macomber, ’07, presented Mr. James Francis with a handsome set of cut glass and a watch, a testimonial to him of the regard in which the Institute holds him.

Professor Clifford and Mr. Rand, ’05, did three-quarters of the work of the Show. The final was a close race between Gibbons and Pierce, the former winning by a few feet. Godfrey took third place.

Howard won the mile run by a good sprint at the finish, and Chapman and Ruggles obtained second and third places.

In the broad jump was easily won by Dickerman with a jump of 10 feet 8 inches, Blackburn won second place and Farrington and Gibbons were close together in third and fourth.

The 100-yard dash was run off in two preliminary heats, the first three men qualifying for the final heat. The final was a close race between Gibbons and Pierce, the former winning by a few feet. Godfrey took third place.

The broad jump was easily won by Dickerman with a jump of 18 feet 10 inches, Blackburn won second place and Farytung and Gibbons were close together in third and fourth.

Howard won the mile run by a good sprint at the finish, and Chapman and Ruggles obtained second and third places.

In the broad jump was easily won by Dickerman with a jump of 19 feet 7 inches, Blackburn won second place and Farytung and Gibbons were close together in third and fourth.
