Seat Application Blanks Now Ready at the Cage for Distribution.

A Commencement Celebration Committee has been appointed by the Association of Class Secretaries to make the necessary arrangements for a Tech celebration on Commencement Day, followed in the evening by a Tech night at the "Pops," to be continued as an annual affair. For this occasion the whole of Symphony Hall has been reserved, the floor for past students and undergraduates, and the balconies for ladies and their escorts. Each class will be assigned a number of tables on the floor, in proportion to the applications received. Balcony tickets will be assigned strictly in the order in which applications accompanied by the money are received. Every student who desires to be present at the "Pops," should procure as soon as possible an application blank from the Cage and fill it in the necessary information. Only one floor ticket will be sold to each former student or undergraduate.

PROF. PEAODY GOES TO EUROPE.
