The habits of study have been formed. Technical work is eliminated. It is given to them. From another point of view many a student whose studies simply because more thought takes too much of the time from the common complaint that the effect of this will be beneficial, and might apply to the languages we should say that the training has proved very successful. The support of the gym- group has been out and turned over to the committee in assigning tables to the various classes. The whole of the committee will be much appreciated. The applications for seats at the Pops Concert are now ready for distribution and they should be filled out and turned over to the Pops Concert Committee at once in order to facilitate the work of the committee.

The approach of Spring weather marks the close of a successful season at the new gymnasium on Garrison Street. The building which met with such a mishap during construction has served as a rendezvous for all branches of athletics. Especially has it served its pur.

The results of the gymnastic drill and team work exhibition, which were held this winter were more than encouraging, and from the increased development of the men taking part in them it was evident that the training has proved very beneficial. The support of the gym-

Williams' Shaving Stick

If You Value your face, protect it from painful irritations, and keep it soft and smooth. Use Williams' Shaving Stick.
