BURSAR IS CHAMPION.

Word has come to us through private channels that Bursar Rand has developed into a golf champion during the Summer. He lifted one championship cup at Lowell and then journeyed up to New Hampshire and won a cup at a prominent golf club of that state. The Bursar has also made a name for himself as an expert automobile driver this summer. He ran his car 2000 miles without a single mishap and without any expense except for gasoline.

A crucible has been known to withstand 81 heats. This was only made possible by careful handling and good material.
