### Y. M. C. A. TO MEET.

The first regular meeting of the Technology Young Men's Christian Association will be held on Thursday, October 4, from 1.30 to 2 P.M. Rev. A. P. Fitch of the Mt. Vernon Congregational Church will address the men. All who heard Mr. Fitch last year will be glad to welcome him again. The time of the meeting is placed at noon so that the men living in the suburbs as well as those living in the city may be able to attend. Members of the Faculty are also welcome. The meeting will be held in the Parish Hall of Trinity Church.

President Benjamin Ide Wheeler of the University of California, suggests, for language reform, that an international academy might be founded to have authority in the matters of language changes, just as the French Academy and the Spanish Academy have done.

Professor Ward, the noted meteorologist of Rochester, N. Y., who was killed by an automobile, will be buried beneath a huge glacial quartz boulder which he brought from the northern shores of Lake Superior with the idea that it should be his monument.
