CLASSES AT GYM.

The gymnastic work offered by the Institute is given by Mr. Towne in the gymnasium just west of the Union. The work will begin on the Monday following the Fall Meet and will consist of exercises with the dumbbells, Indian clubs, parallel bars, the horse, rings, and other usual apparatus. The gymnasium is well equipped for this work, and has in addition a good indoor track. Mr. Towne plans to have a gymnasium team to compete with other institutions. Two classes will be held on Mondays, Wednesdays, and Fridays at 4.15 and 5.05 respectively. All students expecting to take the work must register with Mr. Towne for a physical examination. The office hours are 4 to 6. A large number of students have already taken advantage of the chance for gymnastic training and the classes promise to be well attended.
