ELECTRICALS ELECT OFFICERS.

The annual meeting of the Electrical Engineering Society was held at Tech Union on Saturday evening for the purpose of electing the officers for the year. Those elected were: President, A. Macomber, '07; Vice-President, J. M. Frank, '07; Secretary and Treasurer, L. W. Brock, '07. These elections generally take place at the end of the preceding year, but it was decided to wait till the opening of the term, because of small attendance last June. After the election, President Macomber gave the members his ideas as to how the meetings should be conducted, He impressed upon them the advantages to be gained by having men of reputation address the members, and suggested that the talks this year be practical rather than theoretical. He also expressed himself strongly in favor of less formality at the meetings, and urged that a German student style be adopted, with "cigars and light beer." Several other members expressed themselves similarly and suggested that meetings be held more regularly. A smoker was held after the meeting, with refreshments. A number of Juniors were admitted to membership.

FRESHMAN CLASS MEETING.

At the Freshman class meeting yesterday M. Whittemore of the Junior class spoke of the Freshman football and tug of war teams. About eight men have been practicing regularly for football; the manager and coaches have been unable to develop a team on account of the poor attendance. The Juniors have sent men to coach the Freshmen every day, but have been disgusted on account of the indifference shown by most of the class. The 1910 tug of war team is in similar straits. Nineteen men were out for practice Monday, and twenty-five are needed for the team to pull against the Sophomores. Mr. W. Adams, another Junior, spoke on the same subject and used some strong expressions to arouse enthusiasm among the Freshmen. A per capita assessment of one dollar was voted to defray the expenses of Freshman athletics. The chairman appointed a committee consisting of one man in each section to collect this amount from every Freshman. It was also moved and carried to have the class picture taken Friday at 1 o'clock. Notices of the place of sitting will be posted on the bulletin boards.

Older Tech men know
that, to be dressed in
good "Tech" form, it
is necessary to outfit
at Shuman's.

The Shuman gar-
ments have that snap
and quality peculiar to
the well-dressed col-
lege man's clothing.
And the Shuman prices
are "Tech" prices.
