BASKETBALL.

The basketball outlook is very promising; three of last year's regular team are back and there are over thirty other candidates, most of whom have had experience either on last year's second team or on high school teams. Captain Schauenthal of the '03 team is coaching the candidates every night at the gymnasium and is confident of turning out a winning team with the material now at hand. The most promising men for the various positions are:

Forwards, Kinnear, Bitler, Hargraves, Merrill, Fernstrom, Guards, Wentworth, Belcher, Nichols, Ford. Centers, Pierce, Gregory.

As a result of the rigid investigation last year, it is said that there is no hazing at the Naval Academy this year. The plebes are keeping the old "rates" entirely of their own accord. They do not walk in "Lover's Lane" or do any of the other things which encroach upon upper class privileges. They are not doing this under compulsion, but simply because they believe it is better to follow the old customs.

Nevada University has adopted Rugby football.

may not be aware of the correct place to get their Suits, Overcoats, Hats, Neckwear, Shirts, Underwear, Hosiery and Shoes. Older Tech men know that, to be dressed in good "Tech" form, it is necessary to outfit at Shuman's.

The Shuman garments have that snap and quality peculiar to the well-dressed college man's clothing. And the Shuman prices are "Tech" prices.
