essential facts: anything that does not bear directly on one of these
points is a barren alliance on his brain. Moreover, the Tech man has all
the work he can do and yet he is
trussed with red tape and kept on
the verge of nervous prostration
remembering whether problem
XII 236 or XII 2364 is due at
9.15 Monday or 10.30 Wednesday,
or whether after all it is not 10.30
on Monday and 9.15 on Wednes-
day, or whether perhaps it is not
some other day. If some of the
professors, who announce publicly
that the students have too much to
do and then stick on a few more
subjects, could hear some student
trying to explain to another that
the capacity of a biparted hyper-

tical paraboloid was equal to the
