also of the Advisory Council on Athletics.
He assumes too much when he states that "we know for a fact that there is a manager," for as a matter of fact it is now in the hands of the fencers. The captain of the team meant only that one had been nominated, or elected by the fencers. This man accepted the position temporarily. As to the straightforwardness of this manager's nomination we believe the Fencing Team itself is fully capable of electing its own manager without any outside aid, which, we beg to inform your correspondent, is in full accordance with the Constitution and By-Laws of the Advisory Council on Athletics.

MOLLUS STREET THEATRE

Viola Allen's coming engagement, opening next Monday, promises to be the most notable Shakesperian event of the year. It has been a long time since "Cymbeline" was acted upon the local stage, and the appearance of Miss Allen, ably sup-ported, and in a play staged as beautifully as "Winter's Tale" or "Twelfth Night," promises to attract much attention.
