WINTER CONCERT AND DANCE

Tickets for reserved seats at the Winter Concert and Dance may be obtained in Rogers corridor this morning. They may either be bought directly or preliminary tickets may be exchanged for them without further cost.

The concert this year will be one of the best ever held. Over fifty men are to take part and many will give individual performances. The principal features will be the three solos: W. B. Jenkins, '09, vocal; O. G. Fales, '07, banjo; and A. H. Thompson, 'cello. There will be fourteen numbers in the dance, all of them round dances. Refreshments, consisting of frappe and punch, will be served, and the music will be furnished by Poole's Orchestra.

General Manager Gardiner says that already there have been over four hundred tickets sold and the rest are going fast. He expects the receipts to exceed those of last year, which came to about \$210. On account of the ease with which the New Century Building can be reached the management expects the audience to be very punctual and hence will start the concert promptly at eight.

AM. INST. ELECTRICAL ENGINEERS.

A meeting of the Boston Branch of the American Institute of Electrical Engineers, will be held on Wednesday evening at 8 o'clock in 6 Lowell.

A paper on "The Development of the Air Brake for Steam and Electric Traction Service," will be given by Walter V. Turner, Mechanical Engineer, Westinghouse Air Brake Company.

Non-members are cordially invited to attend the meetings, and any such desiring regular notices are requested to communicate with the Secretary, Mr. Charles H. Parker.
