HOLLIS STREET THEATRE
Shakespeare lovers have only one week more of the engagement of Viola Allen in "Cymbeline" at the Hollis Street Theatre. That affords an opportunity to see a play which is seldom acted nowadays and Inogen proves an admirable addition to the repertoire of classic heroines impersonated by this deservedly popular actress. It is superbly staged and acted by a company of unusual brilliancy.

COLONIAL THEATRE
George M. Cohen will be back in town next Monday after an absence of two seasons and then the walls of the Colonial Theatre will resound to the catchiest of music. "George Washington, Jr.," the new comedy, will star Mr. Cohen in triple capacity, author, composer, and star—and in each he is a leader. His father and brother of "Four Continents" fame, are in the company which will be supplemented by a large chorus of dancing and pretty girls.

Cardinal Botti, prefect of the propaganda, recently in Rome, distributed the prizes to the students in the foreign ecclesiastical colleges in Rome. American students carried off the greatest number, getting a total of twenty-seven metals.
