PLAY AGAIN TONIGHT.

Tech Meets Strong Flee from Worcester Polytechnic.

The strong Worcester Polytechnic basketball team will be the attraction at Boston Tech tonight in the last home game before the holidays. Tech's great game against Boston College on Monday evening gives promise of another victory tonight. However, the game will be a close one, as Worcester Tech is a much stronger opponent than Boston College. Captain Kinzer will probably be back in the game and his presence will undoubtedly strengthen the home team considerably.

Last year two games were played by these teams, each winning its home game. In the game at Worcester it was not until the second half that Worcester was assured of victory, the final score being 22 to 15. In the second game, which was close and hard fought, Tech won out by a large lead, 68 to 23. This year there is no doubt that Tech will win, for this year's team is undoubtedly stronger than last year's team and if it can keep up its game the last Monday will undoubtedly go through the season with a long list of victories.

Y. M. C. A. MEETING.

At the regular meeting of the Y. M. C. A. yesterday noon in the Chapel of Trinity Church, Reverend A. A. Stockdale spoke on the definition of the word "Lost" as used in the Bible. We belong to the thing we love, he said. As we should love both God and man, so we should belong to both. If we become "conscious of an estrangement from God, then are we lost, for to be lost is to be spiritually separated from God."

There will be only two more meetings of the Y. M. C. A. this term, both of which Mr. Stockdale will conduct. His subjects will be the definition of New Testament words; on January 31, "Saved;" on January 30th, "Faith;" and Gates, the general secretary, reported that nine student bibles have been organized along the direction of the Y. M. C. A., and nearly one hundred and fifty men were enrolled last week.

Brown will have an ice hockey game with Harvard this year, in spite of the fact that it is no longer a member of the Intercollgeiate Hockey League. Six of the seven men on Columbia's hockey team of 1906 are in college again, and striving to retain their old positions.
