1906 WINS MEET.

Junior varsity supremacy over 1909 by securing 14 points in the last two events.

After many exciting and enthusiastic contests, the Annual Indoor Track Meet was held in the Gym last night, and was declared in favor of 1909. From the start of the meet it was evident that there would be some close contest, as there were no ‘09 men entered for these last two events, but as there were no ‘09 men entered for these last two events ‘08 secured enough points to gain the victory. The meet was very fine in every way: the attendance was remarkably good, about 500 being present.

The first event was the trials of the 35-yard dash. The first two heats were close, but K. D. Fernstrom, ’09, won the third heat easily with a lead of over two feet. K. W. Richards, ’09, however, won the previous heat by 2 seconds and the final heat in the same time, C. W. Gram, ’09, finishing second.

The second event was the high jump. A great source of amusement to the spectators; D. C. MacMurtrie, ’09, was the heaviest weight feature, while R. H. Allen, ’09, was compared to “scissors” in his easy method of clearing the bar. E. Stuart, ’19, and Allen, ’19, tied for first place at 5 feet 4 inches, and Stuart, ’20, took third place at 5 feet 2 inches.

In the high jump H. E. Allen, ’08, leads up to the fourth lap, when he was passed by B. L. Gimson, ’08, Allen, ’08, and R. M. Keeney, ’08, who led the heat. Allen, ’08, and last in the last heat, R. W. Waldo, ’10, passed Allen and captured third place. Frost taking second.

The 40-yard run proved to be one of the most exciting events of the evening, calling forth much enthusiasm from the spectators. The pole vault, ’08, won the leading all the way. J. Avery, ’10, pulled off second place, but was passed at the finish by H. W. Blackburn, ’08.

R. C. Albro, ’07, captured the 49-yard dash in 6.45 seconds with C. A. Eaton, ’07, a close second. R. M. Keeney, ’09, and H. A. Rapelye, ’08, were close behind the winners in third and fourth places respectively.

Maiden Beats Tech Second.

The second team was badly defeated at basketball by the crack Malden High School team on Saturday afternoon at Malden by a score of 36 to 4.

The game was played for a very poor one, and this, together with loose team play on the part of the Tech men, lost the game for them. Malden played a very fast game, with good team play and running back of baskets. The use of the A. U. A. rules in place of the intercollegiate some-what handicapped the Institute players.

Summary of games.

TECH SECOND
