the 600, as the other men are on
the relay team.
Gimson ought to make a good
showing in the 1000-yard run, as he
has been doing splendid work this
year in the middle distance races.
In the handicap games in the fall
he ran from scratch in the half
mile and made a good fight through
a large field, while in the present
indoor class games he carried off
first honors in the half mile in re-
time. Howland, who surprised
everyone last fall in cross country
running by carrying off first place
in the Tech-Harvard run, will be
the strongest man for the Institute
in the mile run. He is an ideal
indoor runner, fast on the corners,
and has a good sprint at the end.
It is expected that Allen will
spring a surprise in the high jump.
Owing to his attenuated build,
he has been dubbed "scissors."

A few weeks ago he had no idea he
could jump. He entered the in-
door games and tied the winner at
a fair height in his first attempt.
For the past two weeks he has been
practicing under John Malan
and has been able to clear heights
that are regarded good for an
experienced man. In the 440-yard
round, there are several fast youngsters
that have shown up well this year.

EXHIBITION RACE AT GYM.
Two races of considerable inter-
est were run at the Gym yesterday
afternoon and a large number of
spectators was on hand. Fresh-
men were conspicuous in the mile
novice race, giving no one else a
show. Hubert, '07, led for ten laps,
but came in second, being passed
after a pretty struggle by Mills, '07.
Billings, another freshman, took
third, while Hulsizer, '09, finished
in fourth place. There were four-
teen starters.

Of even greater interest was the
exhibition race between two picked
relay teams of five men each, and
the result inspired great hopes for the
B. A. A. race. Moses, '09, Gram,
'Todd, '08, Gould, '07, and Blackburn,
'08 ran for the first team: the second
was composed of Captain Richards,
Keeney, '09, Chapman, '08, Fern-
strom, '07, and Cummings, '07.
Each man ran two laps and the
first team won by nearly half a lap.
