TRACK TEAM PLANS.
Spring training for track athletes
will begin March 19. There
has been little activity in track
athletics since the Lawrence Light
Guards Meet, and no gym work
has been required, but several
meets have been arranged for the
spring, and it is nearly time to
start getting ready for them.

The Spring Meet or class games
will be held April 13, and following
there are two dual meets and
an intercollegiate meet at which
Tech will be represented. On
May 4, Tech has a dual meet with
the University of Maine, at Orono,
Me. The delegation to it will be
held at Tech Field comes May 11.
The wind-up of the season will
be at Cage. For particulars see C. N. Draper,
