**NEWS FROM OTHER COLLEGES.**

The Princeton baseball and track teams are handicapped on account of the fact that University Field is covered with ice. The baseball diamond is impossible, while the running track presents a great circle of ice three inches in thickness. It is very unlikely that the field will be in condition for practice before the Easter vacation.

Cambridge won the boat race from Oxford Saturday afternoon by four and a half lengths. The race was of four and a half miles and was made by Cambridge in 20 minutes, 26 seconds. Last year Cambridge won by three and a half lengths in 19 minutes, 24 seconds. It is interesting to note that the total weight of the Cambridge crew was 1,397 pounds, an average of about 170½ pounds per man. The total weight of the Oxford crew was 1,1,344 pounds, an average of 160 pounds per man.
