FENCING SEASON OVER.

Elective to Intercollegiate League Marks Close of Successful Season.

As a fitting climax to a successful season came the election of the Institute Fencing Team to the Intercollegiate League. Starting with a green squad of candidates last fall, the outlook for the fencing season at the Institute was not very bright. However, under the coaching of Lucien Fournon, the Tech team has come off with three victories in dual contests, offset only by a bad beating in the triangular meet.

In the first meet against Springfiled Training School Tech had a rather difficult time, winning out by only one bout. Then came the finale at Tufts which ended in a tie. In the second meet with Tufts, the Tech fencers responded in good shape and defeated the strong Medford trio by one bout.

COURSE II BASEBALL.

Options 1 and 2 of the Course II drawing room Thursday afternoon at the field. Porter’s Hellers representing Option 1 lost to Allen’s Colts representing Option 2 by the score of 10 to 6. The championship title accordingly goes to Allen’s Colts.

Professor W. T. Sedgwick gave a talk on ‘Typhoid Epidemics’ before instructors in the scientific laboratories of the Institute and the Harvard Medical School, at a dinner of the Bowditch Club.
