COMMITTEE NEEDS MONEY.

The Prize Drill Committee announces that unless a sufficient sum of money is raised to pay for lighting the Armory, they will be obliged to hold the Prize Drill on the afternoon of May 22, instead of on Friday evening, May 17. Every member of the battalion is requested to make a special effort to hand his fifteen cents to his nearest sergeant not later than next Wednesday. In case the drill is held in the afternoon, the money already collected will be returned.

ALLOTMENT OF SHOW SEATS.

The rules governing the disbursement of seats for this year’s Show were issued today. Two points merit especial attention. If members from two classes make applications together, the applications will be ranked in the lower class. Also applications for seats at out-of-town performances must be made on separate blanks from those for Boston performances.
