

THE TECH

VOL. XXVI. No. 88

BOSTON, MASS., MONDAY, MAY 13, 1907

PRICE THREE CENTS

CREATED BY STUDENTS.

Advisory Council Brought into Existence in 1897 by Vote of Student Body.

The first movement for an advisory council on athletics was brought about by the loose methods that were alleged to have been employed in the years up to 1896, THE TECH and various other influential factors, as well as professors and alumni, urging that there be such a body.

On March 12, 1897, came the first definite step. At a meeting of the M. I. T. A. A. that day it was voted by the students that such a board ought to have charge of athletics. Another mass meeting was held on March 15, at which Prof. Dewey offered the following resolutions, which were accepted:

"RESOLVED—That a committee of five be appointed to consider the needs of the Institute in regard to physical training; of which there shall be two from the undergraduate body, two from the alumni association appointed by the executive committee of that body, and that the Corporation be invited to send a representative.

"RESOLVED—That this committee be authorized, if after inquiry it appears best, to frame a permanent plan of organization and procedure which shall be submitted to such body or bodies as it seems to them best."

The report, presented to the students at a meeting Oct 17, 1897,

\$1500 FOR ATHLETICS.

The success of "William, Willie and Bill" was emphasized in many ways at the Tech Show dinner at the Union Friday evening. The members of the faculty present voted it the best show they had witnessed here or among the various Harvard productions, and even Mr. Francis went so far as to strongly compliment the authors and composers. Financially the show will equal, if not surpass, the "Chemical Maid" in profits, as at least \$1500 will be cleared, the business manager stated.

Instead of confining the entertainment to speechmaking and singing, Macomber, '07, who acted as toast master, hit upon the happy scheme of having many of the principals appear in costume, several of them being taken from former shows. Thus the speeches were interspersed with stunts, and those present were afforded the pleasure of gazing upon the fair countenances of such celebrated beauties as Mrs. Swelter, Maisy, and the Lady of Philadelphia, (Kibbey '07), of the "Chemical Maid."

Speeches were made by Mr. J. P. Munroe, of the Corporation; Dean Burton; Bursar Rand; Prof. Jackson, Prof. Clifford, Mr. McCready, Mr. Blackstein, Mr. Seaver, Prof. Richards, Mr. McMillin, in "How It Happened, or The Wellesley Deal," and Mr. Francis.

Those in costume were: Vonnegut as German Innkeeper; Allen as the Grind; Kibbey, Lady of Philadelphia; Sando, as Maisy; Ellis, as Steve; Adams, as Jack Straw; Coffin, as Mignon; Childs, as William; Belden as Mrs. Swelter; Jenkins, as Pat Luscomb;

MAYHEW WINS MEET FOR BROWN.

Providence Team Defeats Institute Men in a Rather One-Sided Meet, 68 2-3 to 57 1-3. Two Records Go in the Two Mile.

It was too much Mayhew for Tech Saturday in the dual meet with Brown, for the old inter-scholastic star secured four firsts, and tied for second place in the high jump, his total of points being 21 1-3. The meet went to Brown by the score of 68 2-3 to 57 1-3 points.

Gallup, of Brown, was another star performer, for he went the two-mile in 10 min. 1 1-5 sec., cutting 2 2-5 sec. off the New England intercollegiate record made in 1898 by Bean, of Brown. Udale, who finished second in this event after a heady race, broke the Tech record made last Saturday by MacGregor by 13 3-5 sec., Udale's time being 10 min. 5 sec. The only other remarkable time was that of Mayhew in the high hurdles, which he ran in 16 2-5 seconds, equalling the Tech record.

In spite of the splendid work of these few Brown stars, Tech could have won the meet by a good margin had some of the Institute men stood up at all well in their events. The work of the weight men was especially discouraging.

The first two places went to Brown in the mile. Lundell of Brown took the lead from the start and was never headed by the Tech men. In the third lap Chapman attempted to jump the Brown man, but Wells of Brown closed up with his team mate and came through easily. Wells and Lundell were first and second, a few feet apart, with Buckingham a good third. The time, 4 min. 45 sec. was good considering the condition of the track.

Prout of Brown, and Blackburn of Tech, ran a neck and neck race in the quarter. From the start to within 20 yards of the finish the two men seemed to be tied together. Then Blackburn, in a burst of speed, pulled away for first by a good margin. Wertheim, who held third nearly to the end, was jumped by Honiss at the finish.

Johnny Mayhew, the old inter-scholastic star, came to the front in the 100-yard dash, beating out Tech's crack trio after a hard race. Gram had a slight advantage for nearly the whole distance but it was Mayhew's jump at the end that gave it to Brown. Gould came in for a close third. The time was 10 2-5 sec.

Mayhew added another victory to his string in the high hurdles, winning easily in 16 2-5 sec. There were only two other men in the event, both Tech men, Eaton and Albro; the former secured the second place.

Gimson walked off with the half-mile, coming in over 20 yards ahead of Wells of Brown, Captain Thurlow making a poor third. The two Brown men led for more than three-quarters of the distance but Gimson came past in the last 200 yards. The time was 2 min. 4 2-3 sec.

Gallup of Brown broke the New England intercollegiate record in the two mile after a short skirmish with Udale of Tech. Gallup's time was 10 min. 1 1-5 sec., 2 2-5 sec. faster than time set by Bean, Brown, which was made in 1898.

Gallup ran a wonderful race and was headed only once by Udale, who came in for a good second.

Mayhew added another five points to Brown's score in the low hurdles, by a good ten feet. He outthurdled and outran the Tech men in the event, Fernstrom and Eaton coming in for a poor second and third. The ease with which the Brown man won is shown by the slow time.

It looked all Tech at first in the 220-yard dash. Gram, Gould, and Wertheim went through to the last 20 yards the leaders, but Honiss, Brown's crack sprinter, caught Wertheim near the tape and beat him out by a close margin.

Allen did not come up to expectations and his team mate Rapelye carried off first at the low height, 5 ft. 6 in. Allen, Tech; Sturdy and Mayhew of Brown tied at 5 ft. 4 in.

The expected happened in the shot-put, Brown securing the first two places easily, Tech getting a poor third. In the hammer, Scharff was away below form and was beaten by Hazard of Brown. The Providence college secured the third also.

There was more Mayhew in the broad jump but Eaton nearly took the honors away from the Brown star. Dickerman came in for a third.

As was expected, Orr won the pole vault. The best that Tetlow could do was to tie Huxford of Brown at 9 ft. 6 in.

100-yard dash—Won by Mayhew, B. Gram, T, 2d; Gould, T, 3d. Time 10 2-5s.
220-yard dash—Won by Gram, T; Gould, T, 2d; Honiss, B, 3d. Time 23s.
440-yard dash—Won by Blackburn, T; Prout, B, 2d; Honiss, B, 3d. Time 53s.
880-yard run—Won by Gimson, T; Wells, B, 2d; Thurlow, B, 3d. Time 21. 4 3-5s.

1 mile run—Won by Wells, B; Lundell, B, 2d; Buckingham, T, 3d. Time 4m. 45s.

2 mile run—Won by Gallup, B; Udale, T, 2d; Greene, B, 3d. Time 10m. 1 1-5s.
120-yard hurdles—Won by Mayhew, B.; Eaton, T, 2d; Albro, T, 3d. Time 16 2-5s.

220-yard hurdles—Won by Mayhew, B; Fernstrom, T, 2d; Eaton, T, 3d. Time 26 1-5s.

High jump—Won by Rapelye, T; Allen, T, Sturdy, B; and Mayhew, B, tied for 2d. Height 5 ft. 6 in.

Pole vault—Won by Orr, T; Tetlow, T; Huxford, B, tied for 2d. Height 9 ft. 9 1-2 in.

Broad jump—Won by Mayhew, B; Eaton, T, 2d; Dickerman, T, 3d. Distance 20 ft. 5 1-2 in.

Shot-put—Won by McDonald, B; Walcott, B, 2d; Allen, T, 3d. Distance 36 ft. 3-4 in.

Hammer throw—Won by Hazard, B; Scharff, T, 2d; Flagg, T, 3d. Distance 106 ft. 7 in.

Discus throw—Won by Smith, B; Kirley, B, 2d; Allen, T, 3d. Distance 104 ft. 10 1-2 in.

	BROWN	TECH
100-yard dash	5	4
220-yard dash	1	8
440-yard dash	4	5
880-yard run	4	5
1-mile run	8	1
2-mile run	6	3
120-yard hurdles	5	4
220-yard hurdles	5	4
High jump	2 1/2	6 1/2
Pole vault	2	7
Broad jump	5	4
Shot put	8	1
Hammer throw	5	4
Discus throw	8	1
Total	68 2/3	57 1/3

CALENDAR.

MONDAY, MAY 13.

1.00 P.M. Meeting of the Board of Editors of THE TECH in 30 Rogers.

5.00 P.M. *Technique '09*, Meeting in the Trophy Room.

6.30 P.M. British Empire Association Dinner at the Union.

WEDNESDAY, MAY 15.

5.00 P.M. Class Day Committee Meeting in 27 Rogers.

NOTICES.

Electrical Engineers.—A meeting of the Boston branch of the American Institute of Electrical Engineers will be held May 15, at 8 P.M., in 6 Lowell. A paper entitled "An Analysis of the Distribution Losses in a Large Central Station System," will be given by L. L. Elden, engineer with the Edison Electric Illuminating Company.

MINERS ELECT OFFICERS.

At the annual meeting of the Mining Engineering Society last week the following officers were elected: W. J. Barcus, '08, president; D. H. Maxwell, vice-president and treasurer; A. S. Dickerman, '09, secretary; W. S. Clark, '08, and A. Bridgeman, '07, executive committee.

PROF. PORTER ADDRESSES Y.M.C.A.

Professor Porter, who addressed the Y. M. C. A. meeting Friday, spoke in a general way on what the Y. M. C. A. has done and is doing. He said that there has been a Christian Association at Tech for fifteen years; that the aim of the Y. M. C. A. is to preserve and foster the religious impulse.

Mr. Mabee then briefly outlined the advantages of attending the Northfield conference, and the need of a strong Tech delegation. Particulars may be had from Don S. Gates.

POPE RE-ELECTED.

Last Friday evening the M. I. T. Catholic Club held its last meeting of the year for the purpose of electing officers for next season. The results of the election were as follows: President, Joseph Pope, '08; Vice-President, J. T. Gallagher, '08; Secretary, F. M. Heidelberg, '09; Treasurer, Joseph White, '08; Executive Committee, Joseph White, '08, P. F. O'Shea, '09, N. B. Enneking, '10. The attendance was good.

Mr. I. S. P. Weeks, of the Burlington lines west, who is at present at Honolulu for the benefit of his health, has written recently that he is gradually regaining his strength. Mr. Weeks was taken ill the latter part of last year and submitted to an operation in January. When strong enough, he left for the Pacific Coast and after a short visit at a number of western cities went to Honolulu. Mr. Weeks is a graduate in Civil Engineering at the Institute in the class of 1871.
