

**SUCCESSFUL FINANCIALLY.**

John Tobin Presents Report of 1906-07 Track Season.

Conducted from a business standpoint in a manner that has not been known before, the 1907 track season has just closed.

To Manager Tobin is due great credit for the financial success of the season. More money has been realized from the meets, and more money has been available for the use of the track team. Further than that the results of the track season have been most uniformly successful.

The accounts recently turned in by the manager are as follows:

**ORR ELECTED CAPTAIN.**

Thomas W. Orr, '08 was elect last Wednesday captain of the track team for next year. Ten men nominated were H. Rapelye '08, H. W. Blackburn, L. Gimson, and T. W. O. Rapelye withdrew because of the amount of school work he will have next year. Orr was elected by a good margin.

Orr's work has been consistent throughout his career in track athletics. He devoted most of his time to pole vaulting and by his work has made himself a first string man.

**If you want to make money this summer**

We have a proposition by which a good man can, in three months, make more than enough to defray his college expenses for the next year.

There is no outfit to buy and no catechism which you have to learn. All you need is your own gray matter and a little help from us from time to time.

If you will write us, we will gladly explain how we propose to make your next college year free from financial worry.
