EXPLAINS PURPOSE.

(Continued from page 1.)

Both Tech Lunch Rooms have to meet Increase in Cost of Food.

In spite of the fact that it showed a deficit of $1,000 at the end of last year, the Tech Union lunch room is to run again this year on the same plan, with the exception that the students will have to be raised owing to the increased cost of lunch. The lunch room in the new building will also have to meet the increased cost of maintenance by an increase in prices.

Both lunch rooms will maintain their high standard of quality of food that they have exhibited in past years. The difference between the two lies essentially in the fact that the Tech Union lunch room serves a regular menu lunch, while the lunch room in Pierce enters more to those who desire simple dishes. Both rooms have been popular and intend to serve the quality of food that they have served in the past.

1907 YEAR ENGAGED.

Prominent Tech Men Have Left to Take Good Positions.

Winston Rooke, '07, Course IV, is to marry Miss Judith Members of New York City on Oct. 10 at St. Mark's church in the Bowery, New York City.

The engagement of Miss Bertha Murer, '07, daughter of Mrs. Helen Murer, of Tilton, New Hampshire, to Mr. Lester Barber, '07, Course VI, is especially popular. Both the engagements have been very successful.
