AT CLASS MEETING JUN IRS GIVE ADVICE ON FIELD DAY.

Bui Men Elect Officers, Crews of Andover Being Chairman.

The freshmen held their first class meeting Wednesday. Pres. Mos., '09, presided and called the two upper classes. Speeches concerning Field Day were made by Whitlock, '99, on track; Schmitt, '98, on tug-of-war, and Critchett, '98, on football.

The men were urged to come out for the class teams promptly and in large numbers. As Field Day is only a month off, and all the time is needed for practice. It was said that work for these causes need not interfere in any way with studies, and that a man who is not strong enough to keep up both will never succeed at the Institute.

The Juniors volunteered to coach the tug-of-war and the varsity coach will attend to the relay work. Candidates for the frome will report this afternoon at the Gym.
