FRESHMEN ARE STARS
AT FALL MEET.

GOOD PERFORMANCES. OLDER TIMERS FAIL TO APPEAR.

K. D. Ferrostrom '10 and W. J. Seligman '11 Take Individual Honors.

That the Freshman Class contains a number of first rate track men was shown yesterday at the Handsome Games at Technology Field. The Freshmen carried off numerous honors in the 100 and 220-yard dashes in the points there was a good fight between the Freshmen and Sophomores for the winner coming out with 45 while the Juniors came last with 19 points.

K. D. Ferrostrom of the Sophomore Class was the winner of the low and high hurdles, and fourth in the 110-yard dash. William L. Collins, the former Brookline High student, captured the 110 yard hurdles with a time of 16.8 seconds.

That the Freshmen Class contains a host of future stars was shown yesterday at the annual Fall Meet.

In the points there was a good fight between the Freshmen and Sophomores for the winner coming out with 45 while the Juniors came last with 19 points.

Saul Playa, a star in the field, cleared 6 feet 6 inches in the high jump to carry off the honors. In the 100-yard dash the veteran C. L. Due, who is handicapped by trouble with his ankle, was second to Billings. Their times were 10.2 and 10.4 respectively.

In the 220-yard dash the veteran C. L. Due was second to the Freshman A. L. Potter. Their times were 23.8 and 24.2 respectively.

The pole vault was a fizzle without Cay looking up to the duties of the event. May (Phillippe) g.b. q.b. Conally (Wiggins) was second with a height of 8 feet 2 inches.

Captain Loring is doing better than ever before.

In the throwing events there were no very good performances outside of Christie's work. The hammer, put-in easy style with a fair throw of 122 yards.

In the points there was a great fight between the Freshmen and Sophomores for the winner coming out with 45 while the Juniors came last with 19 points.

Sophomores Win in Poorly Played Game.

Many Changes Made in Chemical Staff.

Several changes have taken place in the Chemical and Chondal Engineering Staffs. E. Thomas, instructor in physical chemistry, has resigned on account of ill health. His place is being filled by Dr. Raymond Haskell, instructor in technical chemistry, and Dr. Raymond Haskell, instructor in chemical practice, his place being filled by Dr. Raymond Haskell, instructor in technical chemistry, and Dr. Raymond Haskell, instructor in chemical practice.

The vacancy left in the Physics Department by the resignation of Prof. Wenner has been filled by the appointment of Dr. E. F. Condon, who has been associated with the department for several years.

The Chemistry Department has been greatly enriched this year by the addition of many valuable pieces of apparatus, a new spectro-spectrophotometer of the latest make, and a number of microscopes, have been imported from Germany for use in investigating by Mr. Hoffling of the department in spectroscopy and in the study of metallic and non-metallic substances.
