SOPHOMORES TAKE ALL
FIELD DAY EVENTS.

FINAL_SCORE IS 9 TO 0.

1910 carried all the honors yester-
day in the seventh annual Field Day,
splitting the Freshmen in all events
with the score of 9-0. In all of the con-
tests competition was hard and close,
but the Sophomores won on account of
superior training.

That this Field Day is the most im-
portant event in the athletic calendar
at the Institute was shown by the im-
mensé crowd attending. Not only were
all of the lower classes, each in their
own cheering section, while in the grand-
stand were President Noyes, C. W. Hubbard,
A. Lawrence Rotch, George Wiggles-
worth, James P. Gray, Charles P. Main,
R. H. Soule, Charles A. Stone, Lieut.
Col. F. L. Looker, of the Corporation,
Capt. R. D. Wilbur, of the Freshmen,
Prof. Herbert H. Richards, and Harry
W. Tyler of the Faculty.

The bleachers were completely filled
by the two lower classes, each in their
own cheering section, while in the grand-
stand were President Noyes, C. W. Hubbard,
A. Lawrence Rotch, George Wiggles-
worth, James P. Gray, Charles P. Main,
R. H. Soule, Charles A. Stone, Lieut.
Col. F. L. Looker, of the Corporation,
Capt. R. D. Wilbur, of the Freshmen,
Prof. Herbert H. Richards, and Harry
W. Tyler of the Faculty.

In a fast hard game of football the Sophomores overwhelmed their Fresh-
men rivals, 1910. In the first half the victors had all their own way,
but in the second half the Freshmen showed a strong three and held their oppo-
tonents. All the scoring was done within the first 17 minutes of play.
The Freshmen defeat may be attrib-
uted to their inability to handle the
ball properly. Many fumble attempts
reached only to their line of gainers. The position of quarter back was not filled
properly and the passing throughout the game was very poor.

Forward passing was tried all through the game, but the Sophomores
took advantage of it at every opportunity. They even made an on-side kick with variable success.
A great part of the Freshman's rushing was made up by the work of J. Seheuer, M. Anderson, L. N.
Pray, who by his splendid line back-
ing was also very good. Billings ran
ahead of the line and fell. Numbers of witnesses attested
the red tape was within six inches of
the Freshmen flag. The marker went an inch or two toward
the Freshmen off their feet.

K. Kaufman, H. P. Ireland, S. P. Kim-
merly and Loutit made seven more. Hurley

served the Freshmen well, but did not exhibit partic-
ular ability. Coupal, who replaced him,
showed a great improvement over his
earlier work, but did not exhibit partic-
ular ability.

The work of this Freshman was the
most outstanding feature of the game. For the rest of the
eleven relay, the Sophomores still holding a
goodly lead, there seemed no doubt that it would be an easy 1910 victory. When
Seligman started with a 30-yard head-
cap and in a short 100 yards cut that down to a 15-yard lead, the crowd came
everywhere for the big finish. The he-

The marker went an inch or two toward
the Freshmen off their feet.

The score is such.
