20 SCHOOL STREET - BOSTON

NEW MATH BOOK.
(Continued from page 1.)

Deficiencies Must Be Made Up.
Faculty, Rule on This Subject Given to Students.

All marks of D must be removed at date to be determined by the respective
instructors, which date shall not be later than the end of the following
November, but in case of subjects which from the character of the work can
be pursued only in the two terms, the date shall not be later than the end of
the following March.

In case a mark of D is not removed at the date thus determined, the student
shall be required to do continuous and dependent subjects which he is fail-
ing and can only obtain a clear record by reporting the subject in which the D
was given.

No deviation can be made (as a requirement but for exceptional reasons).
Petitions for an extension of time must be presented before December 1st.

Norwegian Professor Studying Institute Teaching Methods.
