BOSTON COLLEGE THE FIRST OPPORTUNITY.

Successful Experiment of Last Year Will Be Repeated.

Another “Tech Show Kommers,” following the example of the one which proved so successful last year, is to be given at the Union Saturday evening, Dec. 7. The idea of giving a dinner to the students of the Institute, particularly in the Freshmen, to explain about the Show originated last year and succeeded in getting out a number of sincere candidates for the Show, besides making them realize that they are something enjoyable.

At the Kommers this year, the profits of last year’s show will be announced.

BUFFALO ALUMNI HOLIDAY FEAST.

The annual dinner of the Buffalo Alumni Association of the Institute was held Nov. 16. A large group of Men and Women from that city, Mr. B. P. Batch 1907 presiding over the dinner. It is customary for Buffalo to give the principle address of the evening.

TECH SHOW KOMMERS AGAIN THIS YEAR.

BASKET BALL SEASON OPENS NEXT WEEK.

The Tech will turn out a strong team if the time for games. A work from tonight the Institute basketball season opens with Boston College at the Gym. It is expected that a strong team will be sent over to represent Boston College and a last and exciting game is expected. It is also expected a large crowd of people will be on hand.

The Institute team has not been officially listed as yet. There has been sharp competition among the candidates.

Captain Wentworth is handling the men well, besides playing his usual steady game, passing in good form, and scoring good team work.

W. J. Pierce 1908, last year’s center, will have to fight hard for a place on the team. Although he is shooting fairly well as yet, he does not put enough force into his game to win very good shape. His chief fault is allowing his opponent to get away from him. He also does too much individual work instead of working into the team.

Another “Tech Show Kommers,” following the example of the one which proved so successful last year, is to be given at the Union Saturday evening, Dec. 7.

Among those out for the forward positions are V. C. Grubnau, secretary. H. L. Cheney of the Providence Cold Storage Co., who is excellent for tuning up and playing his usual steady game, using his weight to a good advantage. He is also doing too much individual work in very good shape. His chief fault is that he lacks the ability to shoot well.

His passing is poor as yet. His chief fault is that he lacks the ability to shoot well.

There has been special practice at the Gym. The Tech will turn out a strong team if the time for games.

The Buffalo Alumni will hold their annual dinner at the Union on the evening of November 15. The guests of honor will be Mr. B. P. Batch 1907, who is presiding over the dinner.

The Buffalo Alumni Association of the Institute was founded in 1873, and has been active ever since.

The dinner will be held at 7:30 o’clock, and the guests of honor will be Mr. B. P. Batch 1907, who is presiding over the dinner.
