FIVE HOCKEY MEN FORM TEAM NUCLEUS.

FORD 1908 WILL CAPTAIN.

Outlook Good and Better Support is Looked For.

Five men of last year's hockey team are available to form a nucleus for the team to represent the Institute during the coming season. They are Winthrop D. Ford 1908, William J. Alley 1908, Charles L. H. Ogden 1908, Leonard B. Billings 1908, and Harold D. Billings 1908. W. D. Ford 1908 will captain the team. He played a handy game at forward last year and will prove a strong factor in the team this season. William J. Alley 1908 will again manage the team.

The schedule is not yet quite complete but will be published as soon as announced. It is not certain yet whether the January trip will be repeated this year or not. Practice will be held whenever possible in the gymnasium, preferably at the Brookline Reservoir.

Winthrop D. Ford, William D. Alley, and Ogden played forward, Davis point, and Billings put up a strong defense at goal. This team last year made 10 points against their opponents, winning from Williams and forcing Dartmouth to play an extra period after Captain Alley's number all the time.

The first meeting of the hockey team for the season will be held in the gymnasium on Saturday afternoon at 2. B. A. A. reading his number all the time.
