HOCKEY SCHEDULE OUT AT LAST.

TAYLOR AND ARMY ON THE LIST.

The Hockey Team this year has been seriously handicapped by the lack of their finest player but in the few days work which has been held the team showed up very promisingly a few of the new men.

The men have been planned for the midyear Vass. Com which includes games with Yale at New Haven and the Army at West Point. There are also games pending with Williams at Williamstown and Springfield Training School at Springfield.

It is urged that all who are near those places during this vacation come out and root for the team. As there is a good deal of expense connected with the trip and the A. A. does not allow sufficient money the needs of the team the fellows of the team have to supply this.

The team cannot stand for all of this extra expense so it falls back on the students last year, A. A. men and any other interested, who can go, with what they earn in order to put the team on a level with at least the strength in the vicinity of the Institute.

The schedule has been held up for several reasons but what has been arranged:

Jan. 11. Andover at Duxbury.
Jan. 15. Tufts at Northampton.
Feb. 9. Boston University at West Point.
Feb. 10. Groton against Bennington.
Feb. 11. Williams will be played on Feb. 6 and Feb. 11 and will be accompanied by poster as soon as arranged.

HOCKEY IN LINE FOR COPLEY HALL UNION.

CIVILS IN LINE FOR COPLEY HALL UNION.

Add Strong Resolutions to the Endorse-

Wednesday evening the Civil Engineering Society held a dinner and evening meeting at the Union. The meeting was endorsed by a large majority the resolution being to provide the Copley Hall Union committee with money for the study of the project.

Mr. W. S. Johnson gave the talk of the evening on the disposal of sewage and factory waste. He confined his attention to the method of intermittent filtration, as practiced in Massachusetts, and showed many interesting lantern slides to illustrate his statements. In his opinion this method affords large opportunities for sanitation, as the sewage used can be put to no other purpose. He was very much impressed with the fact that the method is giving only partial satisfaction.

The meeting was followed by the Cop-

ley Hall committee room as follows:

Whereupon a motion was made to start a Society in the course of which the bodies of the Society and the committee be the same as the Copley Hall, temporary, as a Walker Memorial, and

Whereupon the Civil Engineering Soci-

ety feels that this board will provide a sort of honor and much-needed stimu-

The number of 1908 and 1910 are not yet approved on the Friday night of the Vass. Com. This cup was presented to the team by Mr. Samuel Cabot. Owing to the fact that it is 1908-9, won by 1901. There is no record of Spring 1898-9, won by 1901. There is no record for the red and coffee for the gray, with the exception so it falls back on the students last year, A. A. men and any other interested, who can go, with what they earn in order to put the team on a level with at least the strength in the vicinity of the Institute.

The schedule has been held up for several reasons but what has been arranged:

Jan. 11. Andover at Duxbury.
Jan. 15. Tufts at Northampton.
Feb. 9. Boston University at West Point.
Feb. 10. Groton against Bennington.
Feb. 11. Williams will be played on Feb. 6 and Feb. 11 and will be accompanied by poster as soon as arranged.

They are not.

Numerals Still Missing from Caps at Union.

The numerals of 1900 and 1910 are not yet approved on the Friday night of the Vass. Com. This cup was presented to the team by Mr. Samuel Cabot. Owing to the fact that it is 1908-9, won by 1901. There is no record of Spring 1898-9, won by 1901. There is no record for the red and coffee for the gray, with the exception of a few of the new men.

The band of eight men will leave

Saturday, January 10.
