From the Mechanical Engineering Society.
Whereas: The overcrowded condition of Mechanical Engineering Laboratories is daily brought to our attention; and
Whereas: The efficiency of the department is being impaired by this congestion; and
Whereas: Still further difficulties, if some steps are not taken to obviate them, promise to arise in the near future; and
Whereas: The Mechanical Engineering Society of the Massachusetts Institute of Technology believes in the fostering and supporting of student interests and activities; and
Whereas: A feasible plan for remedying the above-mentioned conditions and increasing the opportunity for social communion among the students of the Institute of Technology by furnishing a suitable place in which they need in common; be it
Resolved: That the Mechanical Engineering Society express itself as concerning heartily with the Institute Committee and the Board of Editors of The Tech in their endorsement of this plan; and in so far
Resolved: That the Mechanical Engineering Society of the Massachusetts Institute of Technology communicate these resolutions to the seven members of the Class of 1907, in favor of the proposed plan, believing that its adoption will greatly benefit the undergraduate body of the Institute, the present Tech Union being inadequate, be it
Resolved: That the aforesaid sixty-seven members of the Class of 1907, present at the first Alumni Dinner of the Class, have unanimously expressed themselves in favor of the proposed plan, believing that its adoption will greatly benefit the undergraduate body of the Institute, the present Tech Union being inadequate, be it
