Win Fashion's races

Winning races is among the greatest joys that a young man can enjoy. It is the highest form of accomplishment, and is one of the few things in life that can be enjoyed by all men, regardless of their social position.

The wonderful success of the students at Tech, and the way in which they have handled themselves in every race, is an illustration of the fact that the Tech student is not only a good scholar, but a good athlete as well.

The great popularity of the Tech student in the world of athletics is due to the fact that he is not only a good athlete, but a good student as well. The Tech student is not only a good athlete, but a good student as well.
