HARE AND HOUDSOES ASSOCIATION.
(Continued from page 1.)
several years. Then to further the interests of the Cross Country Team, at their last meeting, a league was made between the latter and the Hare and Hounds Club, which resulted in the present Cross Country Association.
As the league no longer pays its own expenses and is financed and controlled by the Athletic Association, the need for the merger disappears. Since however, the interests of the team and the Hare and Hound Club are much alike, it would seem advisable to make the captain of the team president-ex-officio of the club.

The provisional Constitution, on which action will be taken today, is as follows:
Membership—Any student of the Institute may become a member by paying the annual due of 50 cents.
Obligations—The officers of the club shall be a president, a vice-president, and an assistant vice-president.
The president shall call and preside over all meetings of the club.
The assistant vice-president shall have exclusive control of all Hare and Hounds races. He shall have no authority to organize races where insignia of any sort are given. He shall act as secretary of the club.
The assistant vice-president shall take the place of the vice-president in his absence. He shall perform such duties of the vice-president as the latter may require.
Eligibility of officers—The captain of the Cross Country team shall be the president-ex-officio. The captain and the assistant captain shall be elected by members of the club, the election of both officers to take place in February.
