A strong movement to form an intercollegiate architectural league has been started by the students of Cornell University, and recently taken up by the Architectural Society of the Institute. For the present the purpose being made for the reason that the society at Cornell, the "Gargon," is a chapter of the Epithalamia Alpha and desires to form a chapter of that society at the Institute.

The members of the Institute Architectural Society are strongly opposed to the formation of a secret society among the architects, for such a society would mean either the discontinuance of the

TRAVELLING EXHIBITION WILL PROBABLY BE STARTED THIS SPRING.

The letter sent by President E. I. Williams to the Cornell men, and while refusing to accept the formation of a secret society, have taken steps to meet the present policy of the Architectural Society.

In the following list of seniors on the ballot for the marshals and others, each committee is identified by a close vote Friday afternoon. The Class Day Committee decided on after a long discussion.

Eighteen seniors on Ticket. Ballots Out Today. Due Thursday.

The ballots are due before 2:00 P.M. on Monday, and the results of the election will be announced in The Tech on Tuesday.

The Class Day Committee voted to accept any who wished to be considered for the job, including the faculty, and all the students are free to select the officers they desire for the society, with or without a democratic spirit.

Written for the Tech Show poster.

The beauty of the poster lies chiefly in the coloring. The combination of bright red of the roof and the lettering and the green of the ground, with dark blue of the cloud and outlines is highly effective. The whole design is simple and shows that the artist thoroughly understands the requirements of a poster. The work will be out Wednesday, if nothing happens, and will be on sale in Rogers at 2 cents each.

Northampton Popular.

Several men going to Smith with Tech Show on Special Train.

Several men have already expressed their intention of going to Northampton with the members of Tech to see the performance, and many are members of each committee. The whole design is simple and shows that the artist thoroughly understands the requirements of a piece of work. The poster will be out Wednesday, if nothing happens, and will be on sale in Rogers at 2 cents each.
