drawings. Every available inch of wall space is to be utilized and consequently
the exhibition will be the most complete that the department of architecture has ever had.
As an annual feature, a silhouette has been made of each number of the fourth-year class,
and the collection will be hung as a group in one of the rooms. The fourth-year men will have their
theses on exhibition on their drawings,

The exhibition will remain in place for several days after the exercises so that ample opportunity will be given all
the students of the Institute to view it.

OF TECHNOLOGY
AND
PUBLISHED BY THE ASSOCIATION
OF CLASS SECRETARIES

8 NEWURY STREET, BOSTON

The Review aims to develop closer relations among Institute men and to elucidate the inter-
ests of the work of the College. It is in no sense an engineering magazine, but deals
broadly with the problems of Technological Education and the responsibilities of the profes-
sional man.

THE REVIEW is published during January, April, July, and October. Communications
should be addressed to The Tech
