“BBTT,” golf, “GTT,” lawn tennis;

“LTT”: relay or cross-country, respec-

tively. “AV” or “CTT”, to those not

having either of such insignia or class

numbers.

No combination or addition of points

in a season, for the benefit of a member of a

higher class will be counted.

CIVILS DINE WEDNESDAY

Next Wednesday the Civil Engineer-

ing Society will hold its first dinner of

the year at the Union. At the din-

ner will be presented the names of

those men from the classes of 1910 and

1911 who wish to join the society, and

those who wish to join should come.

All men of Courses I and XI are eligible

and make a good social effort to be at

the dinner. The names will be pre-

sented to the society and the applicants

will be notified before the next meeting

whether they are accepted or not.

Several members of the faculty will be

present and will outline the purpose

of the organization and its best features.

It is expected that the following will

attend: Prof. D. C. Porter, Prof. C. F.

Allen, and possibly Dean Alfred E. Burton.

OF CLASS SECRETARIES

85 NEWbury street, Boston,

The Technology Review aims to develop clear relations among matters new and to stimulate their in-

troduction in our courses. The Review is conducted by students, under the supervision of the

Director of Publications. The purpose of the Review is to present an engineering magazine, but de-

spites the fact that it is a student publication. The aim is to serve education and the responsiblities of the pre-

sent generation. The Review is published during January, April, July, and October. The Publication of the

Review should be addressed to The Tech, Cambridge, Mass., and not to the publishers.

Subscription, One Dollar a Year

Single Copies, Thirty-Five Cents

Volumes I, II, III, IV, V, VI, VII, VIII, and

and not to the publishers. The Review is

published during January, April, July, and

October.
