Cross-country work is receiving a good deal of attention at present, and much is being done in preparation for the Harvard run and intercollegiate meet next month.

JUNIORS CALL FOR MORE CANDIDATES

Re-opened Nominations Desired by 20 Men in Class

Feeling Runs Strong that Greater Choice is Needed for Election

Enthusiastic with the nominations for the class offices as they stand, 20 members of the junior class have petitioned that a class meeting be called for the purpose of re-opening the list, with a view to adding several names. President Saul in compliance with the petition has called a meeting for this purpose at the Huntington Hall, notice of which is contained in the following

To the class of 1910:

The petition has been received and referred to the Committee on Student Activities. The following statement is contained in the petition:

"We, the undersigned, members of the class of 1910, petition that the nominations for junior class officers be re-opened. We base this petition on the following facts: There are 27 nominations for the first 3 principal offices of the class. We request that a class meeting be called to consider this immediately." The petition is signed by 20 members of the class and is constitutionally in order.

There will accordingly be a class meeting in Huntington Hall Monday, Oct. 26, at 1:00 P.M. to act upon this.

T. W. Saul, president."

The present situation is largely a result of the new point system, which disposed of so many men who would otherwise have been available. This new and altogether difficult experience is evidenced in each record which indicates their fitness for the major offices of the junior class. According to the twenty who have called for the re-opening of the nominations, the men have not been heard.

The candidates for the 'first 3' positions are as follows: for president, H. D. Billings and C. C. Weble for vice-president, W. J. O'Hara, J. E. Sealey for secretary, C. C. Terry, N. R. Sealey and W. H. Duffield for treasurer.

At the beginning, and enjoying the five days' festivities, which included registration, receptions, dinners, class, dining and fraternity spreads, a trolley trip, Tech touch at the campus, a final trip to Nantasket beach with special stunts to enliven the day, and a final banquet at the Somerville hotel, at which addresses were heard from ex-governor John A.
