Old Time Feeling Counts in Cross Country—Teams Developing

This year's Harvard-Technology cross country race is developing into a duel between half a dozen teams. Harvard, Tech, and Northeastern are the three teams who are likely to be prominent. But there are others who are not to be reckoned with and who are certain to make a showing, and if they do, the race will be most interesting.

The race this year is practically for the cross-country championship of New England.

As regards the two teams there is lit- tle to choose between the Harvard and the Tech teams. The Harvard team is composed of the last year's captain, but still has Capt. F. W. Devo, Whitney, Waiter and Carter of last year's team. Herbert Jacques, who ran two miles last Saturday in 9:59, is probably their best man, and probably the best man on the Tech team. The Tech team is composed of the last year's captain, but still has Capt. J. N. Stephenson, E. Whittaker; executive committee, J. E. J. Elbert, Wm. E. Kelly.

Crimson, Excitement at Sophomore Dinner as Rumors Spreads that Kimball is Missing

ELECTIONS ANNOUNCED

Race for Presidency is Close—Salisbury's Wining by a Narrow Margin

Accompanied by a body guard of 30 husky sophomores W. C. Salisbury was successfully accompanied to the Union last night to attend the 1911 Dinner. His election was generally expected, and the fresh men were on the lookout to arrange the temporary party which they had gathered at the hands of the sophomores. 2000 Sophomores filled the 40 assembled fresh men, however, succeed in capturing Scott Kimball for the presidency of last year's class this time to elected to the Institute Committee at the polls this term.

Kimball was to have acted as treasurer at the dinner. 1912 enthusiasts tried to pull him away. 30 Sophomores accompanied Hearst to a deserted house at 37 Berkeley, which was locked and it was impossible for the 25 sophomores who came to rescue their classmate to gain access to the building.

The companions assered to the third storey, the women and the men for the rest. It is probable that in the remaining fresh men, the men are just as ready to run away.

In the evening this same 1911 class the same group of sophomores captured the Union, and Places were crowded out of the Union. The names of the men, however, do not indicate that they are going to win the next race.

Wagons will be provided in which the course can be traveled after the race, so that none will be scattered or used as a spectator.

Uniforms will be given out at the Gymnasium Thursday from 12 to 6. The wagons will be given out at the finish of the race after 12 P.M., and the course will be taken over by the men. The course will be closed for the rest of the day.

Training will be begun at 8:30 P.M. and the course will be kept open at all times.

The marshals of the M.T.T. first division will be elected from the sophomore class, the marshals of the M.T.T. second division will be selected from the junior class, the marshals of the M.T.T. third division will be selected from the senior class.

The parade will start at 8:30 P.M. and the course will be kept open at all times.
