Dr. Henry S. Pritchett died on March 2, 1909.

The First Vice-President of the Institute, Dr. C. F. Hooven of Lawrence, has announced that the executors of the late Dr. Henry S. Pritchett will make a substantial gift to the M.I.T. library.

The Pennsylvanian says that Dr. Pritchett's wish is to be a hypocrite you'll meet the like of which can be written no other man in educational service than old Dr. Pritchett of West Newton.

1912 STRENGTH TESTS

After several weeks of work the statistics of the freshman class have been compiled and from these statistics the following men are found to be the strong men of the class. Every strength test and measurement counts so many points and these are then added up to make the total.

C. J. Higgins of West Newton is the strong man of the class having 963 points out of a possible 1000 to his credit. J. L. Bray of Boston is second with 901 points while J. E. Whitlock of West Newton is close up with 900 points. R. M. White of Taunton is fourth with 799 and Harwood of Cambridge is fifth with 771. The next ten men in order are H. S. Brown, 760; J. Becker, Jr., 728; R. P. Root, 725; J. W. Tarrill, Jr., 734; C. F. Fisher, 745; E. C. Richardson, 728; W. H. Baxter, 714; S. W. Soffridge, 724; J. W. Raymond, 725; and C. A. Deyser, 718.
