### THREE REQUIREMENTS FOR ALL STUDENTS

You need reliable, original and complete material for written or  
spoken work. You also need books and magazines. And later a summer  
or permanent position, which you should plan for now, before all the  
best openings are filled. Here is the way to get all three at a minimum  
of effort and expense.

### WE ARE DEALERS IN FACTS

We furnish the best information obtainable on any subject in school,  
college or club, in business and public affairs. Our work is accurate, com-  
plete and to the point, carefully typewritten, promptly supplied, and ar-  
ranged in suitable form, with outlines, bibliographies and full references.

We not only have in our own force highly-trained investigators  
and specialists in various lines, but we have made a business of “know-  
ing the men who know” and by means of this system of knowing  
“Who's Who for Efficiency” we can go straight to headquarters for  
authoritative information and expert advice.

Added to our large stock of information on hand and our means of  
obtaining authentic information, we have a highly efficient system of  
sifting, arranging and presenting our facts in form that exactly meets  
individual requirements—that would exactly meet your needs.

We are especially strong in political science, economics, sociology,  
anthropology, fine arts, literature, applied science, commercial geog-  
raphy, travel and exploration, international law and diplomacy, history,  
foreign affairs, interstate and foreign commerce, financial and industrial  
conditions, and public problems and live questions of the day.

The cost is less than might be expected. Our charges for new and  
original material are at the rate of two dollars for each thousand words  
furnished. Quality of work guaranteed, or money refunded. Methods,  
references and quotations on important investigations furnished upon  
request. (We have thousands of articles on hand which we offer, subject  
to prior sale, at \$1.50 per thousand words. Send for price list.)

### A DESIRABLE POSITION FOR YOU

If you are wise, you are already planning about a summer or per-  
manent position or about an opening in the professions or independent  
business. To introduce our service to you, we will give you advice,  
information and real assistance along these lines without charge (from  
now up to the time you secure a desirable position) if you send us a five  
dollar order for information,—i. e. 2,500 words or over at \$2 per thousand.

In our official capacity, we come in touch with boards of trade,  
chambers of commerce and other local and general organizations of  
employers, as well as large corporations and other concerns, educational  
and other institutions, and municipal, state and other governmental  
departments. We are thus in a position to know of positions of all kinds  
everywhere as well as opportunities for starting out in independent  
business or professional lines.

No red tape, no commissions, no strings are attached to this offer. It  
is free and unconditional. This information we gain about positions is  
simply a valuable by-product of our regular information business, and  
we use it to attract, help and thus hold customers. We do for you all  
that any regular employment agency can do, with this important differ-  
ence—we ask you to sign no involved contracts, pay no fees or commis-  
sions, and incur no other obligations.

### BOOKS AND MAGAZINES FREE

As a further inducement, with every five dollar order for information  
we will give free, in addition to the employment privilege, any book or a  
year of any magazine you specify, the publishers' price of which is not  
over one dollar. With a ten dollar order for information, we will give \$2  
worth of books or magazines; with a \$15 order, \$3 worth; with a \$20  
order, \$4 worth; with a \$25 order, \$5 worth; and so on. Two or more  
men may club together with several subjects to make such an order and  
divide the privileges among them.

### HOW TO ORDER

Just think up one or more subjects on which you need material. Esti-  
mate the number of words required. Enclose two dollars for each thou-  
sand words desired, give us exact directions as to what you want and  
when you want it, and if the order is for five dollars or over, name the  
books or magazines you wish and tell us about the position you would  
like and your qualifications for it. We will do the rest. Address at once.
