THREE REQUIREMENTS FOR ALL STUDENTS
You need reliable, original and complete material for written or spoken work. You also need books and magazines. And later a summer or permanent position.

WE ARE DEALERS IN FACTS
We furnish the best information obtainable on any subject in school, college or club, in business or professional work, in accurate, complete and to the point, carefully typewritten, promptly supplied, and arranged in such a way that the public can understand and use the information instantly and effectively.

You need reliable, original and complete material for written or spoken work. We use it to attract, help and thus hold customers. We do for you all the work your regular employment agency can do, with this important difference—we ask you to sign no involved contracts, pay no fees or commissions, and incur no other obligations.

BOOKS AND MAGAZINES FREE
As a further inducement, with every five dollar order for information, we will give free, in addition to the employment privilege, any book or a year of any magazine you specify, the publishers' value of which is not over one dollar. With a ten dollar order for information, we will give $2 worth of books or magazines; with a $25 order, $10 worth; with a $50 order, $25 worth; and so on. Two or more men may club together with several subjects to make such an order and divide the privileges among them.

HOW TO ORDER
Just think up one or more of the subjects on which you need material. Estimate the number of words required. Enclose two dollars for each thousand words desired, give us exact directions as to what you want and how you want it, and if the order is for five dollars or over, name the best openings are filled. Here is the way to get all three at a minimum of effort and expense.

A DESIRABLE POSITION FOR YOU
If you are wise, you are already planning about a summer or permanent position or about an opening in the professions or independent business. To prevail on the men who reach 65 are dependent on charity, either public or private. It is for these men that the wonderful system of obtaining low insurance has been started. The start has been made in Massachusetts, and although it has only been in operation six months, great things are expected.
