### The Technology Review

A QUARTERLY MAGAZINE  
DEVOTED TO THE INTERESTS OF  
THE MASSACHUSETTS INSTITUTE  
OF TECHNOLOGY  
AND  
PUBLISHED BY THE ALUMNI  
ASSOCIATION

83 NEWBURY STREET, BOSTON

The Review aims to develop closer relations among Institute men and to stimulate their interest in the work of the College. It is in no sense an engineering magazine, but deals broadly with the problems of Technological Education and the responsibilities of the professional man.

THE REVIEW is published during January, April, July, and October. Communications should be addressed to The TECHNOLOGY REVIEW, 83 Newbury St., Boston.

SUBSCRIPTION, TWO DOLLARS A YEAR  
SINGLE COPIES, FIFTY CENTS

### NOTICES

1911.—Important Class Meeting in Huntington Hall. Today at 1 P. M.

1912.—Candidates for battery of base ball team leave names and positions at cage.

CATHOLICS.—Meeting of the Catholic Club in Union Tuesday evening at 8 P. M. An interesting speaker has been provided.

E. E. SOCIETY.—Meeting Tuesday, F. R. C. Boyd 1901, of the General Electric Co. at Lynn, will talk on "Steam Turbine Troubles." Members of the Civil and Mechanical Engineering Societies are invited to attend.

WEIGHT SQUAD:—All candidates for the weight events on the track team will practice regularly on Tuesdays and Thursdays in the lot in front of the Lowell building at 4.15 P. M. Coach Kanaly will be on the spot at this time and place. There are chances for a number of new men in this department. No uniform other than school clothes is necessary. The events to be practiced here are the hammer and discus throws and the shot put.

HARE AND HOUNDS:—There will be a hare and hound run tomorrow at Hyde Park, where the men will have the use of the shower baths and swimming tank. This run will not be postponed for anything short of a blizzard. Coach Kanaly wants to see a large squad out. Stephenson and Billings will lay a short easy trail of about 4 miles. The squad will leave Back Bay station at 2.19 P. M. Round trip fare is 25 cents.

### FACULTY NOTICES

Any student taking either French II or German II may be admitted to any conference on that subject, on consultation with the instructor conducting it, regardless of the section with which he attends regular exercises.

Attention is called to the following Faculty rule relating to deficiencies: "All marks of D (and of F in Drawing or Laboratory work), except in Physical Laboratory, incurred during the first term must be removed not later than the end of the following March. Those incurred in the second term must be removed not later than the end of the following November; except that extension of time may be granted by the Faculty in the case of subjects which from the character of the work can be pursued to better advantage in the term for which the record is given. All deficiencies in Physical Laboratory work must be removed at a date to be determined by the instructor, which date shall not be later than the end of the following November.

In case a mark of D is not removed at the date thus determined, the student shall be required to discontinue any dependent subjects which he is taking and can only obtain a clear record by repeating the subject in which the D was given."

Petitions for extension of time for making up deficiencies incurred last term must be presented to the Faculty before the first of April, 1909.

A. L. MERRILL,  
Secretary of the Faculty.

### BURT'S MEN'S SHOP

Exclusive Haberdasher

43 BOYLSTON STREET, BOSTON

### Be sure of your TECHNIQUE

The TECHNIQUE Board, in order to give every student a chance to obtain a TECHNIQUE 1910, has arranged for two of its members to be in the Union every day from 1 to 2 o'clock with red order books.

Do not neglect this opportunity to make sure of your TECHNIQUE.

No deposit is required.

### MEN'S HATS

Hat and outer coat "make the man" as the public sees him in Winter. Then there's comfort. Two good reasons you should buy here. If you're a "Tech" man here's another.
