\section*{DUAL GYMNASTIC MEET TONIGHT}

\begin{itemize}
  \item A meeting of the class of 1911 was held in Huntington Hall on Monday at one o'clock, with last for members present.
  \item The meeting was called to order by President Salisbiry first speaker of the necessity of levying an assessment of twenty-five cents. Although in a previous meeting he was empowered to levy an assessment, of fifty cents, it was now per twenty-five cents, it will be sufficient.
  \item The primary object of the meeting was to determine what method was to be pursued in the election of a man to fill the vacancy on the Athletic Association due to the resignation of G. A. Coxe for the nominations for this position being made. At the same time it was to be made for the nomination for the next four members of the Institute Committee, owing to R. E. Stevens resignation.
  \item It was suggested that the Athletics Assessment nominating committee make their nominations for these positions, thus avoiding the cost necessary for the entire membership of the class, also that it would be in a way an undiscussible president. On the other hand, since there may be but two nominations for the class, the meeting suggested that the Athletics Assessment committee make the nominations and that the votes be cast.
  \item The motion as finally passed was as follows: "Nominations for the Institute Committee shall be made from the class at the nomination meeting, and shall not exceed by ten members of the class, the directors and members of the committee, having been selected to open the class, to be elected by the members of the class, also that it would be in a way an undiscussible president. On the other hand, since there may be but two nominations for the class, the meeting suggested that the Athletics Assessment committee make the nominations and that the votes be cast."
\end{itemize}
