and woollens that are specially selected for college men can be seen in large variety at either of my two stores. I respectfully invite your inspection of the same. Have been catering to the students' trade for 14 years and am fully aware of what they demand.

The clothes we produce are not of the extreme fashion which cheapens the garment, but are dignified and have a style of their own which shows the art of fine tailoring.

We carry only the best of foreign products and the prices are reasonable.
