First Meeting Brings Out Many
 Freshmen Candidates

Mandelburg

Though the number of candidates for positions in the Mandelburg Club is smaller than that of the aspirants for Banbij Club honors, the try-outs for places, held yesterday at the Union, brought forth a fair represetation of the freshmen class. Last year's organization of mandelbmusts resulted in W. W. Warner, R. M. Harlow, L. S. Schenck, H. A. Edwards, E. C. Smith and E. E. Quinn, all of whom have already made a good showing. Captain Esher has, with the aid of the new coach, divided the men into several new plays which he expects will give 1912 a good chance in the games. This year's team is very large and so far as can be learned, is higher than that of the Waltham team.

The Waltham team is handicapped on account of an accident which happened to Levy, its captain. He has a sprained ankle which he obtained in practice, and was forced to sit out yesterday's part of the game. On the other hand, Kubin, also has a bad shoulder, which will keep him out of the game.

PITTSBURG'S SNAZZY FIELDING

Timely hits bunched with wretched fielding on the part of the Detroit Tigers, aided Pittsburg to-day, to win a second victory over Wakefield, thus losing the first game of the present world's championship series by a score of 4 to 1.

The line up of the 1912 team is not quite decided, but will be picked from the following men: Center, Levenson; short, Birch; catcher, Adam; left, Raths; right, Long; first, Beall; and second, Schmidt.

This afternoon 1912 meets Waltham for possession of the school's. A squad has been out for practice every night this week and although some of the men have been somewhat irregular in showing up at practice, they have nevertheless made a good showing. Captain Esher has, with the aid of the new coach, divided the men into several new plays which he expects will give 1912 a good chance in the games. The team is very large and so far as can be learned, is higher than the Waltham team.

The Waltham team is handicapped on account of an accident that happened to Levy, its captain. He has a sprained ankle which he obtained in practice, and was forced to sit out yesterday's part of the game. On the other hand, Kubin, also has a bad shoulder, which will keep him out of the game.

Pittsburg's snazzy fielding was in great contrast to Detroit's miserable attemps, and "Babe" Adams, Pittsburgh's "club" pitcher, was never in danger after the first inning, when Detroit scored its only run of the game, as the result of two bunts and two singles.

Motor found the squeeze in the fourth, when Clarke hit a terrific line drive into the right field blnder for a two run single. Two more runs added in the fifth by the home team, as a result of several base hits by Eicher, Bunn, a double by Gibson and a sacrifice by Leach, Asher's steady catching and the sixth, for good measure, when Wagner doubled, reached third on Schenck's wild pitch, and scored on an out at first by Asher.

5 Mannin started in like a sure winner, the first eleven Pirates to face him being still easy for those not yet in training. As the active season is just beginning, this is the very best time for men to come out, as the work is easier for them not yet in training.

The team leaves Back Bay station at 5:30. The fare is 30 cents.
