Fine Place Set by Coach Kanaly--Fine Weather Helps Men

Final Arrangements have been completed for Field Day

**NEW BOOK PUBLISHED**

"Conserving the Massachusetts Institute of Technology" has been published by the undergraduates at the Institute, and is available at the local bookstores. The book is priced at $1.50, and includes a foreword by Professor A. T. Bell, who has contributed something to help make this book a valuable addition to the books available through the Tech office.

**COUSS III NOTES**

Summer School Abolished On Account of Registration

So many men of Course III obtained registration deputations in mines that many men of Course III obtained registration deputations in mines. The instruction received in the mines is so much more valuable than that received in the schools that the registration deputations will not be given in summer schools this year. The men want to be outdoors, and they have a right to be.

**Y. M. C. A. RECEPTION**

All students of the Institute are especially invited to a reception held under the auspices of the Boston Y. M. C. A., at 11 A.M. and 2 P.M. Thursday, Oct. 21, at the Head street, rear of State House, Thursday evening, Oct. 21. All Boston residents will be entertained and a good time had. The reception will be a great help to the men.

**1911 CALENDAR.**

**MISS JOHNSON FOUND**

Miss Elizabeth G. Johnson, the mission of the physics department, was found in the city hospital for the man who was in the hospital for a month. The mission of the physics department, was found in the city hospital for the man who was in the hospital for a month. The mission of the physics department, was found in the city hospital for the man who was in the hospital for a month. Miss Johnson is laboriously unhappiness by one work of the physics department, in spite of serious, and improving and hoping for her recovery.

Miss Johnson has been missing since last night, when she left her lodgings, willing to visit her aunt that she was going away for a rest.
