

GOLF CLUB MEETING

Members of the Golf Club held a meeting yesterday afternoon in 22 Rogers and discussed plans for the coming year, and elected officers. The question of which links would be used this year was discussed and it was decided that the manager should write the various clubs near the city and find out exactly what they could do for them, and report the matter at the next meeting. It was decided to hold a tournament at an early date, in fact as soon as they decide upon the links. It was also proposed to choose a team from the club and play the various college teams near here. The officers appointed were President W. C. Salisbury, Sec. Treas. F. C. Hobson, manager. The club will begin work at once, and book dates as early as possible.

men on the team have played together for a year.

Of the eleven men who played on the 1912 team last year, nine men have turned out this year. Swenson who is taking Hopper's place at centre, played with the Dartmouth freshmen team last year. Unfortunately the sophomores have been having hard luck so far; both Robertson, who sprained the ligaments in his arm, and Kebbon, who hurt his shoulder, will be unable to play in the game Saturday; Kimball and Shuttleworth will most likely take their places. Unless Capt. Eicher's leg gets better, he also will be unable to play. This will handicap the team a great deal, as Eicher has the men well in hand. Hopkins, a new man, is showing up well, and if Capt. Eicher is unable to be in the game Saturday will probably be placed at quarter. Among the freshmen, Freeman played a very noticeable game yesterday. The back division is perhaps a little weak yet, but they are fast improving.

Interest in the two teams is very great, and the progress of the men is watched with considerable eagerness by all the undergraduates.

CROSS COUNTRY DINNER

The cross-country dinner will be held at the Union, Saturday, directly after the hair and hounds' run at Wellesley. The speakers will probably be Major Briggs and Dr. Rockwell. F. H. Hunter 1902, will announce something of great interest to all Institute runners. Tickets for the dinner are forty cents.

1913.—A mass meeting is to be held in Huntington Hall, Monday at 1:00 P. M.
