CURRENT EVENTS.

President Maclaurin of the Massachusetts Institute of Technology will use his mark here as a public speaker if he should continue to give addresses along the lines of the one he made before the Pilgrim Publicity Association. Dr. Maclaurin is evidently a progressive man who will strongly influence the various civic betterment movements now under way here.

The play chosen for production this year by the French Club of Cornell is "Le Bourgeois Gentilhomme." It will be given some time in November. An agreement has been made between "Les Loges," the French dramatic club, and the containing German society that they are to alternate in giving plays, each club to give one other year.

Announcement has just been made of an annual prize for public speaking at Lowell. The prize is offered by R. A. Eastman of Waterville, N. Y., and is of $100 value. Competition is open to members of the College of Agriculture only.

At Illinois there are fifteen companies in the military regiment, the largest in the history of the college.

GREAT MASS MEETING.

Thirty-seven present—Yes!—that a fine record for 1917! In Kidson's statement about the "true tract team" if it isn't, tackle the trouble to look in the Tech and on the bulletin boards to see when meetings occur. At 11:15 next meeting when he has been. The "true tract team" must have a real crowd; it's up to every one. We want every man to come. It will happen again that when a meeting is called it no one shows up.
