MUSICAL CLUB PLANS

Western Tour During Mid-Year

Full List Of Members

This year the musical clubs are planning a grand Western tour during the mid-year vacation. Plans now are nearly complete for a trip to all the big cities. W. W. Wurter 1911, manager of the clubs has written to all the alumni associations of the cities and is now waiting for a favorable reply. The cities which the clubs propose to visit are New York, Philadelphia, Pittsburgh, Columbus, Chicago, Detroit, Buffalo and Rochester. The report in the Sunday newspapers was immaculate, as no definite plans have been made as yet.

THE MANDOLIN CLUB

The following are permanent members of the Mandolin Club:

The Club is made up as follows:

M. A. H. S. MEETING

Today in 26 Rogers — Election of Officers To Take Place

Tomorrow at 1:30, the Mechanic Aria High School will hold a meeting in 26 Rogers. It will be a business meeting. The election was held earlier in the year in the evening, but the committee in charge did not think that it was worth while to hold the meeting until now.

The financial report of last year's standing will be read. The results of the tennis tournament with the Harvard M. A. H. S. club will also be announced. The annual election of officers will take place, the new men being nominated from the floor.

Each group will be represented on the board of directing committee. The president will be a senior, the vice-president will be a junior, and the secretary-treasurer will be a sophomore. Freshmen will be represented on the executive committee. The members of the club who are on the instructing staff of the Institute will be represented in the executive committee also.

ANNUCMENT

Online to the great demand for Field Day editions, The Tech has had a second edition of the SaturdayInspector. This edition contains all the incidents of the Field Day, and now more interesting. It is almost invaluable as a souvenir of the day, and copies can be bought at The Tech office and will be sold for the regular price, one cent. Buy a copy and mail it home to the folks.

MOORE’S

NON-SPILLABLE

FOUNTAIN PEN

THE PEN THAT

can be carried in any position in your pocket or bag. Upside down writing never fails. It is extremely simple to construction, and never gets out of order. When not in use the pen point remains in the barrel, always moist, and does not require scaling to start the ink-medium, but writes at once. It is easily filled for any number of satisfactory users of Moore’s Fountain Pen. Ask any of them what they think of theirs. FOR SALE AT
