COMMUNICATIONS

All communications which are to be published in The Tech, should be addressed to the editor-in-chief and should be signed in full by the writers. In case the writer does not desire that his name be made public, a non-de-plume for the purpose of publication should be sent in with the communications.

The Tech invites communications on subjects which will be of general interest to the student body, but assures no responsibility for opinions expressed in these communications.

INTERCOLLEGIATE NEWS

The Naval Academy may send a team to the intercollegiate field and track meet at New York on May 28. The date is convenient to the midshipmen, as annual examinations are over and graduation week not begun. The Navy contingent is particularly anxious to have Carr, who has done 9 4-5 in the 100-yard several times, run against the crack college sprinters. Superintendent Bowyer is a strong advocate of athletics and may favor the proposition.

A \$75,000 stadium for his Carnegie Tech School students is the latest thing in sport accredited to Andrew Carnegie. The football team of the school has done good work this fall, as did the baseball nine last summer, and Mr. Carnegie is reported as being in a hopeful mood regarding the future of his school in athletics, as well as in studies. It is understood he has ordered plans drawn for the stadium.

The Fifth-avenue house which E. H. Harriman was having remodelled for a residence when his death came was sold today by his heirs to Adolph Lewisohn, the banker, who will make it his home. The disposal of the property indicates that Mrs. Harriman has given up any idea of carrying out her husband's plans for building a magnificent mansion on Fifth avenue.

UNION LUNCH ROOM

Hereafter All Prepared Foods To Be Tested Before Serving

The management of the Union desires to announce a radical change, whereby all danger to customers will be reduced to a minimum. Beginning today, all prepared foods, before they are offered to the general public, will be tasted and passed upon as to quality by the steward, manager and a member of the Union committee.

The new oven will probably be set up in the Union kitchen by the last of the week. Owing to a delay in the shipment of the fixtures, it has not been possible to use the oven before, although it has been here about a month. It is to be used for the baking of all the bread and pastry.

THE "DOPESTER"

Trull 1913 can go some.

Next Saturday morning the Inter-collegiate Cross-Country will be held at the Field. All out.

Taylor of Cornell is not running on this year's team.

Paul of Pennsylvania is still in the game and should place either first or very close to it on Saturday.

Watch our own Watkins.

Benson can get there too.

Basketball season is drawing near. Don't bet too much on Yale—or Harvard either.

HARE AND HOUNDS

Second Walk Over Handicap Course Next Sunday

Nine men accompanied Mr. Hunter in a walk over the Handicap Course at West Roxbury last Sunday. Trail was laid over the greater part of the course in preparation for the race to be held on Nov. 27.

It is important that the men should become as familiar with the course as possible, so there will be a second walk over the same ground on next Sunday, if six men make known their wishes to do so before or on Thursday. Leave word at the cage for C. P. Eldred 1911, or see him personally.

A thousand Iowa University students celebrating the football victory of Iowa over Ames, today, stormed the Coldren Theatre tonight and were ejected by the police. They stoned the building, breaking a number of windows. One student's face was split open by a policeman's club.

It won't leak MORE'S NON-LEAKABLE FOUNTAIN PEN

What would it be worth to you to own a Fountain Pen that you could carry around in your pocket or bag in any position with the positive assurance that it wouldn't leak?
In Moore's Non-Leakable there is no way in which the ink can possibly leak out. This pen is always ready for instant use, and the moment it touches the paper, writes, without any preliminary shaking whatever. Furthermore, it will carry all grades of inks, including Copying and India inks.
There are many different kinds of Fountain Pens on the market, but there is only one that is absolutely satisfactory, and that is Moore's Non-Leakable.
