

"THE DOPESTER"

Cross-Country men have a good opportunity this afternoon for a fine race. All out.

Chase Captain Eldred is doing some good work in his management of the Hare and Hounds, and great credit should be given him.

Get out your indoor shoes now and see whether the "spikes" are sharp enough.

The bases of the raised corners on the track at the Gym have been renewed and the danger of the "spikes" catching as they used to do has been done away with.

We should have a good indoor relay team this year. Salisbury, White, Cummings, Lockett, Fennstrom, Oettinger and Reed look to be about the best men now.

Don't forget the basket-ball practice every Monday, Wednesday and Friday. Remember, we want a championship this year.

CURRENT EVENTS

Wisconsin's representative in the Western Conference council has placed himself on record as being in favor of the return of Michigan to the league, making the original "Big Nine."

Minnesota conducts a "model school" at which cooking by men is a feature. The English Club of the University of California plans to issue a "California Story Book," containing stories of University life by graduates who have attained success in literary lines.

BASKET BALL

Candidates Are Put Through a Lively Practice Game

Basket-ball practice is in full swing now. Every Monday, Wednesday and Friday the candidates meet in the gymnasium. Yesterday afternoon a large squad was out. A lively practice was had between the two selected scrub teams. Captain Parker played against last year's captain, P. M. Wentworth. The practice was fast, but the passing and shooting were inaccurate. The captain changed the men around often and put in new men, giving everybody a chance. Some good shots were made for time of the year.

There were five veterans in the squad, Capt. T. B. Parker, P. M. Wentworth, W. B. Hargraves, A. T. Bennis, G. R. Lord. Besides these there are other promising candidates. Men who have played on the teams of other colleges are out for the team this year. There are also several freshmen who have played on their prep. school teams. Manager Everett has not the official schedule yet, but it will include the best teams in New England. Lowell Textile, Brown, Dartmouth, Williams and Tufts are on the card now.

The team will make a tour of western New York in the first part of February to play college and university teams. There will also be a second team, which will play a regular schedule of games.

A thunder storm broke to-day and caused a postponement of play in the international tennis tournament for the Dwight F. Davis challenge cup. Should the courts dry out the first singles match will be played tomorrow.

Norman E. Brookes, one of the local defenders of the cup, who has been ill, now is well.

STAMPS AT UNION.

The house committee has put stamps on sale at the cage in the Union. This will be a great convenience since the Back Bay P. O. has been moved to Huntington Avenue.
